Program Overview

My GM Partner Perks is the parts loyalty program specifically designed with your business in mind. This program rewards you for your GM parts purchases.* As a member, you can appreciate the convenience of a streamlined rewards program with benefits that extend beyond just redeemable points. Rewards include national marketing support, training resources, and business tools that can help drive profitability, productivity, and, most importantly, your bottom line. It's time to dare to venture together.

So, let's get started.

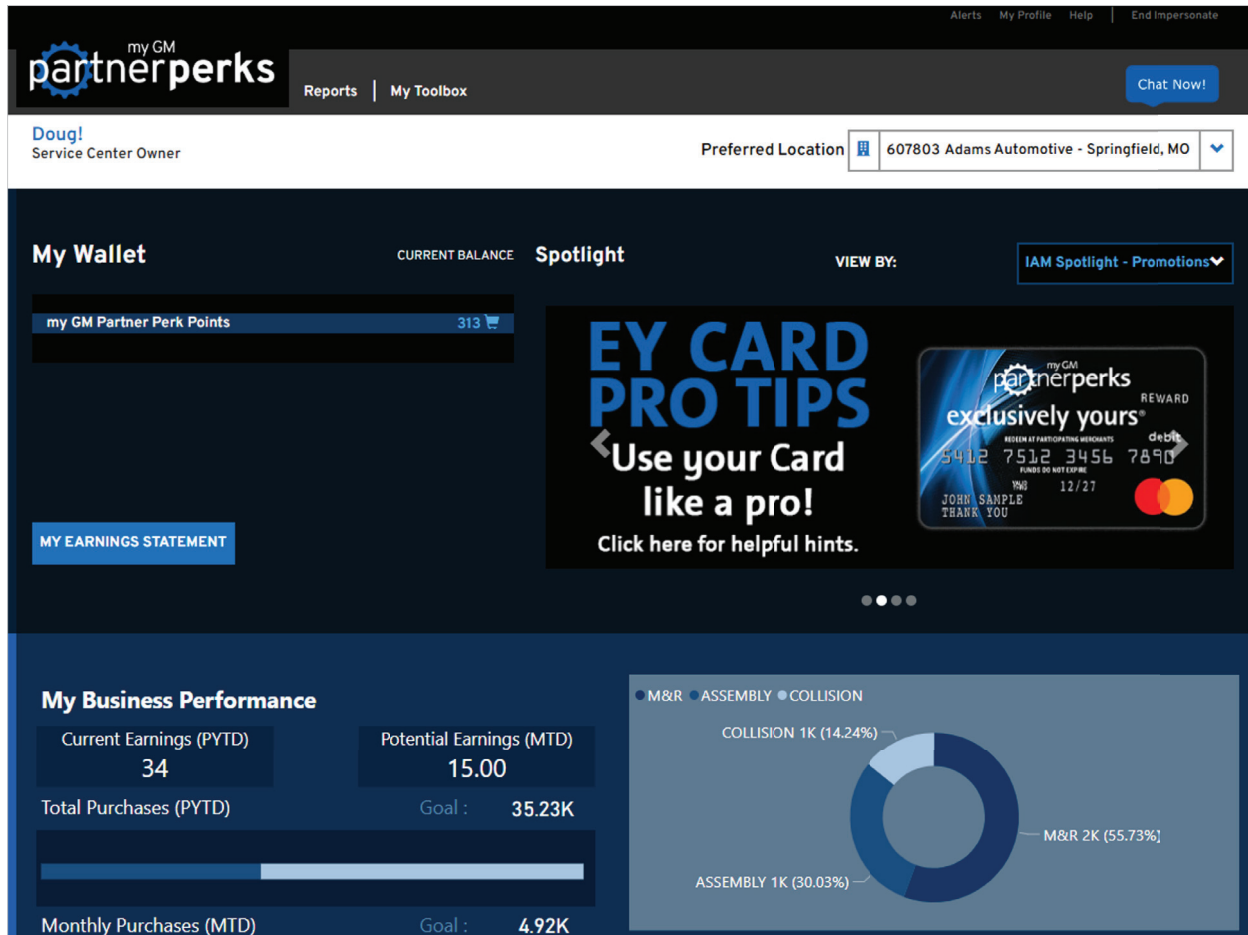

GM reserves the right to audit, modify, or cancel the program at any time.

*Rewards not available for Fleets.

My GM Partner Perks Portal

1 2

Your my GM Partner Perks portal at mygmpartnerperks.com is your one-stop shop for all things related to the program, including extensive reporting of purchases from all sellers and daily progress of rewards earnings. It gives you the ability to manage your own program from your profile and redeem your rewards with ease. Check the homepage whenever you want to get an overview of your plan performance; details are just a click away.

My GM Partner Perks Portal

1 2

Here's a quick overview to help you read your homepage:

Reports

- Opportunity Report
 - Purchases and Rewards
- Rebate Purchases Report

My Toolbox

- Under My Toolbox, users will find Business Management Tools to manage their profile, employees, sellers, and enrollment

Preferred Location

- Location that the information on the screen is referencing

My Wallet

- Current balance—points available to be redeemed by you

My Earnings Statement

- Shows points deposited by month and any pending deposits

Spotlight

- Displays rotating current information for your business from my GM Partner Perks
- Find current information on Promotions or Marketing by selecting Current Information in the drop-down menu

My Business Performance

- A complete dashboard that keeps you informed of all of your earnings, purchases, and goals

Current Earnings

- What your business earned in the program year to date, not deducting redeemed points

Potential Earnings

- What your business COULD earn based on your purchases during the current month

Total Purchases (Year to Date) and Goal

- Your year-over-year purchases on all GM Genuine Parts and ACDelco parts, Chevrolet Performance parts, and Chevrolet, Buick, GMC, and Cadillac Accessories purchases, against a 10 percent growth objective

Monthly Purchases and Goal

- Your monthly purchases on all GM Genuine Parts and ACDelco parts, Chevrolet Performance parts, and Chevrolet, Buick, GMC, and Cadillac Accessories purchases, against a 10 percent growth objective
- A check mark indicates achieved growth bonus, and an "X" indicates unachieved growth bonus

Total Purchases by Category

- A year-to-date breakdown chart of your purchases by category

NOTE: Click on any purchase number or check mark to highlight that area in all charts.

Rewards & Incentives

1 2

The more GM parts you purchase, the more rewards and perks you'll receive. Earn on all GM Genuine Parts, ACDelco, Chevrolet Performance, and Chevrolet, Buick, GMC, and Cadillac Accessories purchases. For easy access and maximum spending power, your my GM Partner Perks points will accumulate in your online portal wallet.

MY GM PARTNER PERKS REWARDS POINTS

Not available to Fleets

The points you earn as a my GM Partner Perks member are deposited into your personal rewards wallet. From there, you have thousands of redemption options, including:

- Transferring your points to your my GM Partner Perks Exclusively Yours® Card, which allows you to shop at hundreds of popular retailers
- Shopping from among the 5,000-plus unique items in the online Rewards collection, with new items typically added every 2 weeks
- Arranging a dream vacation through Rewards Personal Travel, which features more than 200,000 hotel properties in more than 25,000 destinations around the world, 200 major airlines, rental cars, local activities, excursions, and unique experiences
- Using your points toward the purchase of a new Chevrolet, Buick, GMC, or Cadillac vehicle
- Treating your team or family to more than 80 gift cards, including Apple Music™, Starbucks®, Dave & Busters®, Barnes & Noble®, Panera Bread®, and more

HOW TO USE YOUR MY GM PARTNER PERKS REWARDS POINTS

Find your “wallet” on the left side of your my GM Partner Perks homepage. The point balance shown on the homepage reflects points that you have earned but not yet redeemed.

Click on the Shop link to begin using your my GM Partner Perks points. From there, you'll have access to great shopping and my GM Partner Perks exclusives.

After clicking Shop in your wallet, you have three options under the my GM Partner Perks Exclusives tab:

- Transfer to Card: Transfer my GM Partner Perks points to a my GM Partner Perks Exclusively Yours Card
- Business-Expense Reimbursement: Transfer my GM Partner Perks points toward business expenses
- New GM Vehicle Purchase: Transfer my GM Partner Perks points toward the purchase of a new GM vehicle

NOTE: Once transferred to the card, my GM Partner Perks points cannot be moved back. In addition, certain redemption options available with points are NOT available once the points have been transferred to your rewards card. These unavailable options include business-expense reimbursement, event tickets, and the use of my GM Partner Perks points toward the purchase of a new GM vehicle. Additionally, the EY Card cannot be used to redeem items in the online awards catalog.

USING REWARDS POINTS FOR REENROLLMENT

You can use your my GM Partner Perks rewards points when you reenroll in the program. To do this:

1. Transfer points from your wallet to your EY Card
2. At time of payment for reenrollment, choose Mastercard® as the card type and enter the EY Card number

NOTE: It is not possible to use the EY Card when you opt for the “auto reenrollment” feature that requires a credit card be stored to your account. Also, if you have points from a prior GM program such as GGMR or ACDelco Rewards, they can be used for first-time enrollment.

Rewards & Incentives

1 2

For my GM Partner Perks support, email mygmpartnerperks@programhq.com or call 800.253.3428 for help with:

- Login problems
- Personnel changes
- Program/rules structure
- Promotions
- Reporting
- Enrollment questions
- Points questions
- For help with card balance or a locked or declined card, call the number on the back of the card
- Visit eycardonline.com for a list of participating merchants
- Go to myprepaidcenter.com for card management; requires login

STREAMLINED CLAIMS PROCESS FOR MY GM PARTNER PERKS MEMBERS

For the Pro Pack Trade Rebates, my GM Partner Perks Program members will be able to participate in a streamlined Trade Rebate Program process through their my GM Partner Perks dashboard. That means all qualifying purchases will be tracked and rebate claims filed automatically, eliminating the need to mail or upload invoices. Members simply enroll at the beginning of each quarter and validate their purchases online within 2 weeks of the conclusion of the rebate period.

To participate in streamlined rebate processing, my GM Partner Perks members will complete the following steps:

1. If not already members, businesses will need to enroll in my GM Partner Perks by the last day of the promotion.
 - a. Businesses that do not meet the my GM Partner Perks enrollment deadline may still submit to receive trade rebates but must submit for them via mail or online at gmpartsrebates.com.
2. Acknowledge they have both read and agreed to the terms of this program. This acknowledgment must be received by the end of the promotion.
 - a. To do this, log in to mygmpartnerperks.com, scroll to the current quarter's Pro Pack promotion tile and click it. Click "ENROLL NOW." Read and accept the Terms and Conditions and click "CONTINUE."
 - b. Businesses that have acknowledged participation in the my GM Partner Perks automated claims process agree to NOT submit manual rebate claims via mail or online at gmpartsrebates.com.
3. Purchase an eligible part(s) as indicated on mygmpartnerperks.com from a GM Dealership, ACDelco Direct Account, online retailer, or auto parts store.
4. Validate qualifying parts purchases on mygmpartnerperks.com to ensure they have been captured correctly via the my GM Partner Perks automated trade rebate process. Validations can be completed throughout the rebate period, but all rebate qualifying purchases must be validated by program headquarters.

NOTE: When a shop agrees to the Terms and Conditions, it is enrolled for the full calendar year for all quarterly Trade Rebate Programs (Q1 through Q4).

Marketing Support

1 2 3 4 5 6 7 8 9 10 11 12

Earn rewards while gaining access to promotional lists, promotional kits, point-of-sale materials, merchandise, and digital support, including website, search, and social media. In addition, you will have access to the national site locator listing designed to help get your shop in front of more customers and help maximize your bottom line.

PROMOTIONAL KITS

Not available to Fleets

Perks+ and Perks++ members have the opportunity to offer national rebates to their customers. In support of each new promotion, we will offer you the tools to help you succeed—such as downloadable launch guides, rebate forms, computer monitor signs, and more. You will receive consumer retail point-of-sale materials that will be updated with the latest offers throughout the year.

CHANGE IS GOOD
AND EVEN BETTER WITH A FILTER OFFER

Take advantage of our rebates* in the amount of:

- \$2** On the purchase of any GM Genuine Parts or ACDelco Fuel Filter
- \$1.50** On the purchase of any ACDelco Cabin Air Filter
- \$1** On the purchase of any ACDelco Engine Air Filter
- \$.50** On the purchase of any ACDelco Oil Filter

Wherever GM Genuine Parts and ACDelco parts are sold.

*Online or mail-in rebate available to retail customers with a U.S. mailing address only. Limit 1 per household. Allow 6 to 8 weeks for delivery of 1st payment. Rebate Card. See gm.com/genuineparts or gm.com/acdelco for details and rebate form, which must be submitted by 12/31/24. Offer ends 12/31/24.

©2023 General Motors. All rights reserved. PK-14-0210-02

\$12 REBATE*

on the purchase of four ACDelco GM OE Iridium Spark Plugs wherever parts are sold.

*Retail customers with a U.S. mailing address only. Online or mail-in rebate valid on minimum purchase of four spark plugs and maximum of 10 spark plugs per household. Allow 6 to 8 weeks for delivery of rebate check. See gm.com/genuineparts or gm.com/acdelco for details and rebate form, which must be submitted by 12/31/24. Offer ends 12/31/24.

POINT-OF-SALE AND MERCHANDISING MATERIALS

1Store

Enjoy one-stop shopping for all of your point-of-sale and merchandising needs with the 1Store. The 1Store is full of point-of-sale materials to help keep you and your customers informed.

Log in to the 1Store at acdelco1store.com to view items, including:

- Point-of-sale materials: posters, banners, brochures, counter mats, etc.
- Sell sheets: designed specifically to help you sell
- Warranty materials
- My GM Partner Perks Program materials
- Product catalogs
- Battery/wiper display racks
- Product displays
- Shop items (floor mats, return bags, counter stools, service reminder stickers, etc.)
- Branded apparel, pens, mugs, and other merchandise

With your access to the 1Store, you can create a variety of customized point-of-sale materials. Here are some of the many marketing items available on the 1Store:

- Customizable flyers, point-of-sale materials, and more
- Product photos
- Logos and other brand images, along with product information and presentations

DIGITAL SUPPORT

The importance of equipping your business with digital support is more crucial than ever, and as a my GM Partner Perks member, you can take advantage of untapped potential. We'll provide your business with support that will help drive traffic from the digital space into your service center. With website assistance, search engine optimization, social media support, and much more, you'll have the tools to help bring your business to the forefront.

Some examples of benefits include:

- Turnkey-branded site template—highlighting your special standing as a my GM Partner Perks member will instantly build credibility for your shop in the minds of potential customers
- Consumer promotions tiles—the appropriate ACDelco consumer promotions will be automatically loaded onto your website to help you attract new customers into your shop

ONLINE ADVERTISING SERVICES

TCS Start

In business for more than 20 years, TCS develops and supports websites and digital marketing services for automotive repair shops, providing its customers with the tools they need to help build stronger, more loyal relationships with their own customer base. My GM Partner Perks members can take advantage of the following pricing and benefit packages:

- Customized web design
- Comprehensive search catalogs
- My Service Reminder tool
- Individual service pages
- Premium directory management
- Optimized tire fitment data advertising

WEBSITE FEATURES

- Ability to show pricing and inventory from your local wholesalers to your customers
- Automatic posting of distributor and manufacturer rebates
- Fully maintained and integrated catalog data
- Directory cleanup and optimized services
- Ongoing consultative support

HOW TCS HELPS DEALERS

- Assesses “online health”
- Runs local SEO tests to determine Google rank and compares results with competitors
- Provides access to Premium Directory Management, which checks more than 150 online directories and navigation services to ensure consistency and control across a dealer’s listings
- Tests dealer social media presence
- Generates an online report card to help dealer optimize online strategies and identify which solutions are recommended

TCS offers a basic website support level and two value-rich premium support levels:

SERVICE BASIC

- Professional website build-out
- 90 days of consultations with TCS marketing consultant
- Domain setup and email hosting
- Google My Business optimization
- Homepage banner optimization
- Service pages, car-care tips, and appointment scheduler
- My Service Reminder—vehicle maintenance module
- Advanced move-over package

PREMIUM DIRECTORY MANAGEMENT—TCS

Your customers rely on local and mobile search engines and directories to find—and visit—your business. ARI Premium Directory Management puts your business on the map and your products and brand messages in front of consumers, so you can sell more products and services. This is included in the Service Premium and Tire Service Premium packages; the cost is an additional \$70 per month if the Service Basic package is selected. Benefits include:

- Real-Time Updates: Update your information instantly from your ARI-powered website across 60-plus directories, search engines, and navigational apps, ensuring your business listings are accurate and up to date
- Google My Business Optimization: Control your listing on Google. Claim and optimize your listing on Google to attract the No. 1 search engine and respond to Google reviews.
- Delete Duplicates: Identify, redirect, and deactivate duplicate listings of your business to ensure that only the listings you want are public and there is no confusion for the shopper or the search engine
- Online Reputation Reporting: Get access to what people are saying about you online
- Exclusive Clickable Featured Messages: Add featured messages on the top online directories that click through to your website to drive more qualified leads to your store

To get started, call 888.449.8473 or visit tcstire.com. Be sure to say that you are a my GM Partner Perks member!

LOBBY TV AND DIGITAL MENU BOARD

Not available to Independent Body Shops

As a my GM Partner Perks member, you can use these services to not only modernize your shop but also to help promote all of your services and specials. Spectrio offers Lobby TV for a digital solution and is tailor-made for the automotive industry.

As a subscriber, enjoy click-of-a-button updates that send new content to the screen(s) in your store. There is no software to install and you can make changes from anywhere you have an internet connection and a computer. Both programs provide access to Vehicle on Demand, which allows you to temporarily suspend your menu board or private TV program and call up 30- to 60-second repair animations to educate and explain common repair needs.

Digital Menu Board is designed to display your services and/or products with or without price information, promote various specials, and display community messages, service animations, and much more. You may also choose from an assortment of videos and images and hundreds of automotive sales and service items, as well as assets from your own computer. Any combination of images and videos can be uploaded.

Lobby TV is intended to eliminate expensive cable or satellite subscription services in the waiting area with an entertainment program provided by Spectrio. You can also promote all of your services and specials right on your TV screen.

Members at the Pro Perks++ level receive the video player at no additional charge, a value of \$150.

For more information, please contact Spectrio directly at sales@spectrio.com or visit spectrio.com/acdelco.

The advertisement features a blue background on the left with white text. On the right, there is a photograph of several boxes of ACDelco Iridium Spark Plugs stacked on a wooden surface. The text on the left reads: "\$12 REBATE*" followed by "on the purchase of four ACDelco GM OE Iridium Spark Plugs wherever parts are sold." Below this, in smaller text, it says: "*Retail customers with a U.S. mailing address only. Online or mail-in rebate valid on minimum purchase of four spark plugs and maximum of 16 spark plugs per household. Allow 6 to 8 weeks for delivery of rebate check. See gmparts.com or gmpartsrebates.com for details and rebate form, which must be submitted by 1/31/24. Offer ends 12/31/23." The ACDelco logo is at the bottom left of the image area.

MITCHELL 1–SOCIALCRM

Not available to Fleets

Perks+ and Pro Perks++ members can take advantage of Mitchell 1's SocialCRM marketing service, now with LocalSearch, to help bring your existing customers back sooner and more often. With Mitchell 1, your business can attract customers right from the web, and through automated email marketing messages, verified customer reviews, and text-message campaigns.

SocialCRM is integrated with Manager SE, which provides instant access to customer details and insights, real-time review notifications, and exclusive industry and business reporting. Features include:

- Verified, SEO-friendly consumer reviews
- Low-review-concern resolution (ReScore)
- Text-message reminder and marketing campaigns
- Automated email marketing campaigns
- Social media marketing content
- Online appointment scheduling
- A customer-support agent assigned to your shop
- Personalized customer vehicle-history pages
- Robust reporting, including sales projections and industry benchmarks
- Supplemental reviews generated by phone
- Help with social media content and reviews
- Optional: website design, internet marketing, paid search advertising, and target-market postcards

EPICOR SERVICE CRM

Epicor Service CRM makes it easy for shops like yours to build strong, profitable customer relationships. The Service CRM solution connects you to your customers, allowing you to manage shop calendars, create and confirm appointments, monitor key customer engagement and shop marketing metrics on a real-time basis, and more through desktop or mobile devices.

Epicor Service CRM offers your shop:

- Text messaging PLUS a new Broadcast Text capability
- Frequency reporting, drifted-away reporting, and more—fueled by the powerful OBD4 Business Dashboard business analytics packages
- Online reputation manager
- Automated print and digital marketing campaigns
- Closed-loop marketing
- Online appointment setting
- Branded websites
- Social media integration

If you are interested in learning more about world-class CRM and marketing tools, please call 877.632.4638 or 916.891.2458.

NATIONAL WEBSITE LOCATOR LISTING

Not available to Fleets

Location promotion is just one of the many ways my GM Partner Perks keeps your business at the digital forefront. Perks+ and Pro Perks++ members will be featured on the gmparts.com locator (unless opted out) so customers can quickly locate and contact members' shops. The locator is one of the most visited sections of gmparts.com, helping to create new business leads for your shop. Participants have the opportunity to customize their locator listings through the my GM Partner Perks portal.

ACDELCO CO-BRANDED SIGNAGE

Not available to Independent Body Shops

Pro Perks++ Independent Service Centers and Regional Service Centers can help make their shops stand out in style with co-branded signage. Help your workspace appear even more refined and professional for your customers and employees.

The Image Program comprises several elements:

Signage

- Metal signage
- Illuminated module exterior signs
- Illuminated channel letters
- Replacement faces for existing signs
- Digital Menu Board and Lobby TV
- Vehicle graphic wraps

Building graphics and interior elements

- Service-bay door graphics
- Wall border
- Shop awnings
- Interior and exterior ACDelco paint colors

Enhancement Program

- Shop makeover
- Shared investment between you and ACDelco

My GM Partner Perks offers a 50 percent image subsidy for Pro Perks++ Professional Service Centers with an average threshold of \$6,000/month; this is reflected in the pricing on acdelco1store.com. Find more information on the Image Program by visiting acdelco1store.com and clicking the “Signage” drop-down.

Download the ACDelco Image Enhancement Program Guide on mygmpartnerperks.com to explore your image options.

Marketing Support

1 2 3 4 5 6 7 8 9 10 11 12

ACDELCO IMAGE ENHANCEMENT PROGRAM

Available to Independent Service Centers only

Whether you're a Pro Perks++ Professional Service Center (PSC) or a Regional Service Center (RSC), my GM Partner Perks can help your business stand out from the competition with the ACDelco Image Enhancement Program. The ACDelco Image Enhancement Program can help you enhance your shop image and leave your customers with a great lasting impression.

Some of these enhancements may include:

- Shop interior
- Shop exterior
- Indoor and outdoor building graphics
- Interior and exterior ACDelco paint colors
- Building awnings
- Illuminated and metal signage
- Vehicle graphics
- Customized shop rendering

How to get started

1. Pro Perks++ or Regional Service Centers with purchases of more than \$6,000/month should contact their ACDelco representative to prepare a proposal to enhance their facility.
2. The ACDelco representative will then assist in obtaining computer-enhanced photos of the facility with proposed image enhancements from the approved sign vendor and submit, along with estimates of work, to the sponsoring ACDelco Direct Accounts and ACDelco Regional Marketing Manager or ACDelco Zone Manager for approval before work begins.
3. Review applicable local city ordinances for signage and ensure compliance as appropriate.
4. List the improvements to be made; get local bids for cost analysis.
5. Upon written approval from ACDelco, the cost of the renovation will be split 1/3 ACDelco, 1/3 Direct Accounts, and 1/3 participating accounts, with a maximum ACDelco participation of \$10,000 per location.
6. Upon completion of the project, attach supporting documentation, proof of performance, and pictures of appropriate image elements to ACDelco Advertising and Promotional Funding Form and forward to the RDMM or ACDelco Zone Manager.
7. Each participating account must sign an ACDelco Image Enhancement Agreement with ACDelco to participate in the Image Enhancement Program.
8. Participating accounts must meet the minimum program requirements by type of participant. Pro Perks++ Accounts must meet and maintain a purchase level of \$6,000/month.

Download the ACDelco Image Program Guide on mygmpartnerperks.com to explore your image options.

ACDELCO UNIFORMS AND APPAREL

ACDelco uniforms and apparel are available on the ACDelco 1Store. Our technician shirt is available in long- and short-sleeve styles and has many innovative features, including:

- Polyester cotton rip-stop “touchtex” construction that breathes and works well in hot and/or humid conditions yet performs in the cold
- Versa hem allows shirt to be worn tucked in or left out while still looking clean and professional
- Cornerless hex pockets resist dirt and lint buildup with strategically placed bar tacks that add extra strength to prevent rips

Uniform shirts, performance or cargo-style pants and shorts, polo shirts, and T-shirts are available from multiple outlets. Additional garments available include welding shirts, jackets, overalls, and shop coats.

Members receive access to diagnostic support and Service Information (Si) to keep your shop and employees up to date and potentially save time on repairs.

SERVICE INFORMATION

Si is a web-based subscription service* that delivers the most accurate and current repair and diagnostic information. Si is the most comprehensive collection of vehicle diagnostic and service repair manuals for GM vehicles. Help speed up service repairs and control costs with access to Si. As a Perks+ or Pro Perks++ member, you are eligible for a discounted price.**

- GM Vehicle Diagnostic Service (1998-present)
- Collision Repair Manuals (1998-present)
- Frame-sectioning information, panel replacement procedures, and recall information
- Campaigns, service bulletins, and preliminary information for GM (1980-present)
- GM Owner's Manuals and glove-box supplements (2003-present)
- Easy-to-use keyword/document/number search

Get all the details on Si and/or subscribe now for instant access to the most accurate, up-to-date service information online at gmparts.com.

For technical support, call 888.212.8959.

*Si discounts and promotions are not available to subscribers in Massachusetts.

**Si discount not available to Fleets.

ACDELCO'S TECHLINE CONNECT, FORMERLY TIS2WEB

Techline Connect is the internet-based subscription service for GM vehicle calibrations, Global Diagnostic System software, and Tech2 diagnostic software updates.

- Efficiently perform service repairs and control costs
- Reduce time when you diagnose GM vehicles quickly and accurately
- Help increase profits by bringing diagnostics and repairs in-house
- Access trained experts for time-sensitive diagnostic questions and concerns
- Quickly look up vehicle calibrations

Get all the details on Techline Connect at gmparts.com. My GM Partner Perks members are the only professionals that have access to a Service Programming Software (SPS) annual subscription. Call 888.212.8959 for details.

TECHNICAL ASSISTANCE: DIAGNOSTIC HOTLINE

Not available to Fleets

Your technicians have live access to the latest factory information for difficult repairs and master technician specialists for every make and model, foreign and domestic. With easy sign-up and no monthly or yearly membership fees, you simply pay as you go. There is no charge for preliminary information. Qualifying members receive three calls per month at no charge. Members receive a \$2.85 per minute rate for troubleshooting with a \$3 administration fee, plus the first 10 minutes free.

However, Pro Perks++ members also receive the first three calls free, then the fourth and subsequent calls will be at the discounted rate. For the fourth call and on, you're only charged when troubleshooting begins, at the discounted rate of \$2.85 per minute for my GM Partner Perks members, with a \$3 administration fee on the first call of every new vehicle case. New my GM Partner Perks members receive the first 10 minutes free. Diagnostic Hotline now offers a flat-rate price option that allows the customer unlimited calls for one case at \$35 per case.

To call in to the my GM Partner Perks Diagnostic and Repair Assistance Hotline, dial 800.825.5886, prompt 2, then prompt 1, then prompt 3, then prompt 1, or visit diagnostichotline.com.

MITCHELL 1—TECHNICAL

Mitchell 1 provides information solutions to help your business. As a my GM Partner Perks member, you can receive discounted pricing. Since 1918, Mitchell 1 has provided information solutions that help make automotive professionals' jobs easier. Mitchell Manuals have given way to a complete family of software-based solutions designed to help fix vehicles faster in the bays, optimize the shop workflow from estimate to invoice, and attract/retain more loyal customers.

ProDemand® provides complete OEM repair, estimating, and maintenance information with exclusive real-world industry insights in a single lookup. The 1Search™ Plus search engine returns auto repair information in a user-friendly graphic “card” layout aligned with a technician's workflow. Key features include expert-based Real Fixes, ADAS quick reference, interactive color wiring diagrams, the latest TSBs, common replaced parts graphs, and integrated estimating with the Mitchell 1 Manager™ SE shop management system.

Discounts on Mitchell 1 Technical and CRM products:

- Perks++ members receive \$50 off their monthly ProDemand® bill
- Perks+ members receive \$25 off their monthly ProDemand® bill
- Perks+ and Perks++ members can receive an additional \$15 off per month on Mitchell 1 products listed above
- Perks members can receive \$10 off per month on Mitchell 1 products listed above

TECHNICAL ASSISTANCE: IDENTIFIX/DIRECT-HIT

Direct-Hit by Identifix is an online repair information service currently used by almost 60,000 shops across the U.S. and Canada. The service offers month-to-month subscriptions, with no contracts. Direct-Hit is a 100 percent online service; therefore, there is no software to install, and it will not impact the performance of your shop computer. The system allows you to set up five unique users per shop, and the system can be accessed via PC, laptop, or tablet or directly on any number of scan tools.

Direct-Hit's Hotline Archives, shortcut tests, and confirmed fixes can help technicians reduce diagnostic times. Technicians can also access genuine OEM service and repair information right from their diagnostics, so they can finish the job fast. Direct-Hit makes it easy to access the information necessary to service customers' vehicles with speed, accuracy, and confidence.

Direct-Hit contains OE service and repair information:

- OE remove/replace procedures
- OE wiring diagrams
- OE technical service bulletins
- OE fluid specifications
- OE component locations
- OE diagnostic trouble codes with procedures
- OE maintenance schedules with reset procedures
- OE part numbers

Direct-Hit also offers:

- Supercharged search engine
- Multiple labor guides, including MOTOR and Chilton
- Component and system exploded views
- Estimating guide with parts and labor information
- Interactive wiring diagrams
- NHTSA recalls
- Reliability reports
- Real-world technician input on confirmed fixes

Everyone enrolled in the program can receive this service at a reduced price. Perks+ members receive \$25 off their monthly Direct-Hit bill. Perks++ members receive \$50 off their monthly Direct-Hit bill and also receive three included hotline calls per month. To initiate the discount, call Direct-Hit Sales at 800.745.9649, prompt 3, to speak with a dedicated sales representative.

To call in to the my GM Partner Perks Diagnostic and Repair Assistance Hotline, dial 800.825.5886, prompt 1, then prompt 3, then prompt 2.

MITCHELL INTERNATIONAL

Available to Independent Body Shops only

Mitchell International, Inc., provides leading-edge collision estimating, management, and workflow solutions for collision repairers. Our goal is to empower you with the essential tools and information you need to better manage your facility—helping to drive down costs, reduce cycle times, and produce more satisfied customers—all while gaining access to tools and information that help promote safe, proper repairs.

Our auto-collision repair software helps you:

- Conduct pre- and post-scans on all vehicles that arrive in your facility
- Create estimates that are accurate and verifiable with database accuracy
- Quickly locate the information technicians need to restore vehicles to pre-accident condition
- Get a clear picture of your customers' experience to proactively resolve issues
- Simplify your operations with tools that meet your unique business needs

With Mitchell serving as the administrator of the General Motors Collision Repair Network, you can now take advantage of this unique opportunity to differentiate your business as among the best in the industry. By participating in the GM Collision Repair Network, you will be recognized for your commitment to having the correct people, processes, and production facilities to help promote safe, proper repairs on today's complex vehicles.

To enroll in the program, go to the GM Genuine Parts website (gmparts.com), click on the “For Professionals” tab, and select “GM Collision Repair Network” under “Additional Resources.”

To request more info, call 800.238.9111 or visit mitchell.com.

ASE EDUCATION FOUNDATION

As the nation's automotive service industry leaders, ASE reimagined a new way of cultivating an inspired workforce. They set out to bridge the gap between the employer's needs and how we teach our students by looking at the big picture—the entire learning life cycle—and designed a solution that aligns schools, students, instructors, training managers, and employers in a universal system.

Education Foundation

The ASE Education Foundation is a nonprofit organization that evaluates and accredits entry-level automotive technology education programs against standards developed by the automotive service industry. It also develops career-readiness education for students that fuses local partnerships, rigorous standard-based education, workplace experience, and mentorship.

Learn more by emailing info@aseeducationfoundation.org or by calling 703.669.6650.

Find a program in your area by visiting aseeducationfoundation.org/find-a-program.

GENERAL MOTORS AUTOMOTIVE SERVICE EDUCATIONAL PROGRAM (GM ASEP)

Develop your service technicians with help from GM ASEP. While many colleges provide a generic auto technician program, GM ASEP provides the in-depth training needed in today's high-tech automotive world. The GM Technician Training Strategy is a three-tiered approach that allows you to train technicians at every level. Students can earn an associate degree while working and learning on the job, alternating between the classroom and hands-on work experience at a sponsoring GM Dealership or ACDelco Service Center.

Get all the details at gmasep.org.

TRAINING

To keep a cutting edge, you need cutting-edge training. That's why GM offers a blended learning approach to its curriculum through Web-Based courses as well as Instructor-Led sessions. With ACDelco's extensive curriculum of hands-on and 24/7 on-demand, online, Web-Based, and Video-on-Demand courses, you and your employees will have the knowledge you need to stay on top.

From new technologies to next-generation service tools to parts, products, and comprehensive diagnostics, you will have the training to effectively help diagnose and fix your customers' vehicles right the first time.

- **Web-Based Training** courses are typically less than an hour and are available 24/7. They are accessed through the ACDelco Learning Management System at no additional charge to my GM Partner Perks members.
- **Instructor-Led Training** courses are typically 4- to 8-hour courses presented by an ACDelco instructor. Training is presented utilizing vehicles and hands-on exercises. Registration for these courses can be accessed through the Learning Management System. Each Instructor-Led course is available to my GM Partner Perks members at no additional charge or for a nominal fee based on your tier level.
- **Seminar** courses are 1- to 3-hour fast-paced sessions presented by your local ACDelco representative. For the convenience of your employees, these sessions can be scheduled at a my GM Partner Perks shop, GM Dealer, or Direct Account location.
- **Video on Demand (VOD)** allows technicians to review previously recorded content on the Learning Management System at any time. VOD courses include monthly Service Know-How Emerging Issues broadcasts from 2006 to present. This series of monthly broadcasts is designed to keep the service technicians up to date on current issues. During each 60-minute session, current GM service bulletins and warranty issues will be highlighted for technical awareness. Each session will feature a major service topic, supported by GM engineering and service experts. Regular segments include:
 - Top Stories
 - Featured Topic
 - What's Hot for Cars
 - What's Hot for Trucks
 - Powertrain
 - Back to Basics
 - Fix It Right the First Time
- **In Shop Training (IST)** sessions are shorter, informal seminars lasting about an hour and are designed for an audience of typically fewer than five technicians. During In-Shop sessions, an ACDelco professional brings a live procedure or demonstration right into the service bay. The focus of IST sessions is the most current vehicle issues, making day-to-day sessions relevant as well as customizable.
- **Tech-Assist (TAS)** courses are brief, web-based, and require no prerequisites

To learn more about training, or to enroll, visit gmparts.com/technical-resources/technical-training or call 800.825.5886, prompt 3, then prompt 1, then prompt 4, Monday-Friday, 8 a.m.-8 p.m. Eastern time.

Profitability & Productivity

1 2 3 4 5 6 7 8 9 10

Help drive your business' profitability potential with programs such as Consumer Assurance and Roadside Assistance. Giving your customers peace of mind will help strengthen your own bottom line, as you receive program discounts that can help lower your business costs so that you can earn more.

CONSUMER ASSURANCE

The Consumer Assurance Program offers limited labor compensation to any my GM Partner Perks member on GM Genuine Parts and ACDelco parts. If there is labor coverage within the parts limited warranty, that supersedes the Consumer Assurance assistance.

Any shop that is a my GM Partner Perks member will be compensated, whether they installed the part or not. Repair costs shall not exceed the costs of the original repair or service. The customer is not to be charged the labor within the benefit. Charging a customer for labor may be cause for removal from the program.

In addition, if the customer experiences a failure of the part within the parts limited warranty period up to 24 months and is more than 25 miles from the original my GM Partner Perks repair facility, the shop will be reimbursed at no additional cost to them or your customer. Reimbursement will be made to the facility based upon its normal hourly rate (door rate) regardless of my GM Partner Perks Program membership. Labor hours are paid according to nationally recognized labor rates. In addition, if superseding labor coverage of the part is available and can be pursued with reasonable effort, the shop will be asked to pursue that labor coverage.

Claims will be monitored closely. If claim requests exceed normal claim rates, GM will institute a local review process with appropriate personnel to review claims and determine additional restrictions, requirements, and/or eligibility.

When you make a repair using GM Genuine Parts and ACDelco parts, give your customer a Consumer Assurance brochure. If there is a problem, your customer can call 800.825.5886 and select prompt 3, then prompt 1, then prompt 2, to be directed to the nearest participating my GM Partner Perks Service Center. For fax contact, your customer can fax 866.658.1246 or fax@warrantyclaimcenter.com.

If you are servicing a vehicle that received the original repair at another my GM Partner Perks member shop, you will be compensated based on the guidelines in the [Independent Service Center table](#), [Independent Body Shop table](#), or [Fleet table](#). If possible, the parts should be warranted through the normal process with the parts supplier, GM Dealer, ACDelco Direct Account, Jobber, etc. If there is labor coverage within the parts warranty that supersedes the Consumer Assurance benefit and can be pursued with reasonable effort, the shop will be asked to pursue that labor coverage.

The GM Genuine Parts and ACDelco Consumer Assurance Program supports light- and medium-duty commercial vehicles serviced by eligible my GM Partner Perks members. The Consumer Assurance Program will cover: emergency service vehicles (police/ambulance), taxis, or vehicles with a Gross Vehicle Weight (GVW) Class 5 rating of up to 19,500 pounds. The claims administrator will determine eligibility based upon vehicle information provided by the my GM Partner Perks member and specified on the original repair invoice.

Profitability & Productivity

1 2 3 4 5 6 7 8 9 10

The customer must pay for any non-warranty service ordered to be performed at the same time as any warranty service. This benefit will not apply if the vehicle has been damaged by abnormal use, misuse, neglect, collision, alteration, or “tampering with” (by other than the facility or facility employees). Customer must present original repair receipt. Coverage applies to light-duty vehicles only. Any rental charges incurred for any down vehicle are not covered by the ACDelco Consumer Assurance Program. INCIDENTAL OR CONSEQUENTIAL DAMAGES ARE NOT INCLUDED (additional expenses that you may incur as the result of faulty repair or service). Specific exclusions are any battery, any internal engine, transmission, clutch, or differential repairs or assembly (replacement gaskets or seals are excluded). Also excluded are auto body, paint, molding, and glass repairs; tires; used parts; and wear items such as wiper blades and bulbs. In addition, vehicles used for farm/ranch/agriculture, off-road, or severe service are also excluded. The claims administrator will determine eligibility based upon vehicle information specified by the my GM Partner Perks member on the original repair invoice. For eligible parts types, see gmparts.com.

Consumer Assurance Claims Process

HOW TO OBTAIN A CLAIM IF YOUR SHOP PERFORMED THE ORIGINAL REPAIR:

1. The customer returns with a defective GM Genuine Parts or ACDelco part.
2. Collect a copy of the original Repair Order (RO) from the customer or from your system and verify that the part is still under the parts warranty or within 24 months of warranty expiration.
3. Call the Consumer Assurance Administrator at 800.825.5886, prompt 3, then prompt 1, with the RO number to verify the claim and receive a claim number.
4. Perform the proper diagnostic procedures.
5. Call the Consumer Assurance Administrator at 800.825.5886, prompt 3, then prompt 1, with the estimate and request approval PRIOR to any repair work being performed.
6. The Consumer Assurance Administrator will advise if the customer's claim is valid and the estimate is accurate. If valid, the shop will be advised to proceed.
7. Complete the repair.
8. The parts warranty should be processed through the original seller (GM Dealer, ACDelco supplier, or national retailer).
9. Labor hours are calculated using nationally recognized labor guides for the part being replaced. Labor hours are paid based upon the tables on [Page 41](#) (Independent Service Center), [Page 46](#) (Independent Body Shop), or [Page 48](#) (Fleet).
10. Fax a copy of the original RO, replacement RO, invoice for the original part, and invoice for the replacement part to 866.658.1246 or email to fax@warrantyclaimcenter.com. The claim number must be written on each page.
11. Upon receipt of the four documents, the Consumer Assurance Administrator will verify the information and will call the repair facility to provide a credit card payment (check option is also available). Receipt of documentation must be within 60 days of failure for payment consideration.

HOW TO OBTAIN A CLAIM IF YOUR SHOP DID NOT PERFORM THE ORIGINAL REPAIR:*

1. The customer is directed to your shop.
2. Collect a copy of the original Repair Order (RO) from the customer or from the original ACDelco Service Center and verify that the part is still under the parts warranty or within 24 months of warranty expiration.

*If you are servicing a vehicle that was originally repaired at another my GM Partner Perks member shop, you will be reimbursed based on the guidelines in the [Independent Service Center table](#), [Independent Body Shop table](#), or [Fleet table](#). If you are not a member, you will be compensated at your labor rate up to the cost of the original repair (market rate). If possible, the parts should be warranted through the normal process with the parts supplier (GM Dealer, ACDelco supplier, or national retailer). If there is labor coverage within the parts warranty, it supersedes and is in lieu of the Consumer Assurance coverage.

Profitability & Productivity

1 2 **3** 4 5 6 7 8 9 10

3. Call the Consumer Assurance Administrator at 800.825.5886, prompt 3, then prompt 1. Tell them you have a customer from a different shop requesting Consumer Assurance and provide the original RO details to verify the claim and receive a claim number.
4. Perform the proper diagnostic procedures.
5. Call the Consumer Assurance Administrator at 800.825.5886, prompt 3, then prompt 1, with the estimate and request approval PRIOR to any repair work being performed.
6. The Consumer Assurance Administrator will advise if the customer's claim is valid and the estimate is accurate. If valid, the shop will be advised to proceed.
7. Complete the repair.
8. The parts warranty should be processed through your local GM Dealer, ACDelco supplier, or national retailer.
9. Labor hours are calculated using nationally recognized labor guides for the part being replaced. Labor hours are paid to nonmember shops at their door rate (up to the cost of the original repair). Labor hours are paid to member shops based upon the tables on [Page 41](#) (Independent Service Center) [Page 46](#) (Independent Body Shop), or [Page 48](#) (Fleet).
10. Fax a copy of the original RO, replacement RO, and invoice for the replacement part to 866.658.1246 or email to fax@warrantyclaimcenter.com. The claim number must be written on each page.
11. Upon receipt of the three documents, the Consumer Assurance Administrator will verify the information and will call the repair facility to provide a credit card payment (check option is also available). Receipt of documentation must be within 60 days of failure for payment consideration.

ROADSIDE ASSISTANCE

Not available to Fleets

Roadside Assistance can be provided to all customers of a my GM Partner Perks shop, regardless of the brand of part installed or service performed. Roadside Assistance begins on the date identified on the original invoice and continues for a period of 12 months, with no vehicle mileage restrictions. This benefit is available only to the original purchaser, and coverage is strictly limited to the specific vehicle identified on the original invoice. Coverage is based on the vehicle being subjected to only normal, noncommercial use and receiving reasonable and necessary maintenance. Roadside Assistance is available in the U.S.

Here is what is included:

- Towing* (can be used for Consumer Assurance)
- Battery jump-start

*To the original repair facility if within 25 miles, or to the nearest my GM Partner Perks Service Center.

Profitability & Productivity

1 2 3 **4** 5 6 7 8 9 10

Consumers in need of a tow through Roadside Assistance must call 800.825.5886, prompt 1, to be connected with the 24-hour nationwide service provider. My GM Partner Perks will be charged for covered services. For any service not covered, payment is required after service(s) has been completed.

This benefit applies only to motorized passenger vehicles that weigh less than 10,000 pounds gross vehicle weight that may be serviced using standard automobile servicing equipment, including but not limited to wheel lift devices, flatbeds, and dolly wheels (automobiles and light-duty trucks).

Services not covered:

- Towing or service while at an auto repair shop or service station to another location
- Towing for any vehicle involved in a collision
- Transporting the member to the vehicle for service or from the vehicle to another destination after service has been rendered
- Fuel, oil, fluid, and water delivery
- Towing or service on roads not regularly maintained (including private property) or in areas not regularly traveled, such as vacant lots, beaches, open fields, or other places that would be hazardous for service vehicles to reach
- Service when a vehicle is snowbound. We do not hoist, winch, or shovel vehicles from unplowed areas, snowbanks, snowbound driveways, or curbside parking. Also not covered: installation or removal of snow tires and chains.
- Changing, dismounting, repairing, rotating, or delivering tires
- Vehicle storage charges, cost of parts and installation, products, materials, impounding, and additional labor relating to towing
- Service to a vehicle with an expired safety inspection sticker, license plate sticker, and/or emission sticker where required by law
- Service to a vehicle that is not in a safe condition to be towed
- Charging a weak or dead battery
- Towing of a vehicle off a boat dock or marina
- Service of any kind on vehicles used for commercial purposes or using dealer tags
- Towing at the direction of a law enforcement officer related to traffic obstruction, impoundment, abandonment, illegal parking, or other violations of the law
- Towing due to stolen parts
- Lockout service is not included; neither is the cost of making a replacement key or lock repairs

Exclusions:

- Trailers and vehicles with a manufacturer's load rating capacity greater than 1 ton, motorcycles, and recreational vehicles
- Service for taxicabs, boat trailers, recreational vehicles and trucks, vehicles used for competition, stolen vehicles, unlicensed vehicles, illegally parked vehicles, or impounded vehicles. Any vehicle used for farm, ranch, agriculture, or off-road use.

NOTE: Consumer Assurance, Labor Reimbursement, and Roadside Assistance are NOT available in Puerto Rico or other U.S. territories.

You are automatically enrolled in this program when you join the my GM Partner Perks Program. If you have questions, call 800.825.5886, prompt 3, then prompt 1. To order Consumer Assurance/Roadside Assistance brochures, log in to acdelcolstore.com and search "assurance."

Profitability & Productivity

1 2 3 4 **5** 6 7 8 9 10

FLEET ROADSIDE ASSISTANCE

Available to Fleets only

Roadside Assistance can be provided for light-duty passenger vehicles that weigh less than 10,000 pounds gross vehicle weight (GVW)* and that may be serviced using standard automobile servicing equipment, including but not limited to wheel lift devices, flatbeds, and dolly wheels, for a distance up to 25 miles. A Fleet member can use Roadside Assistance for a light-duty vehicle in this order:

1. Towing to the Fleet facility, GM Dealership, or my GM Partner Perks facility if within 25 miles
2. Towing to the nearest my GM Partner Perks service center
3. Towing to the service center of their choice (my GM Partner Perks Program pays for 25 miles and the Fleet customer is responsible for any charges after 25 miles)

Here is what is included:

- Towing** (can be used for Consumer Assurance)
- Battery jump-start

This benefit applies only to motorized passenger vehicles that weigh less than 10,000 pounds gross vehicle weight that may be serviced using standard automobile servicing equipment, including but not limited to wheel lift devices, flatbeds, and dolly wheels (automobiles and light-duty trucks).

Services not covered:

- Towing or service while at an auto repair shop or service station to another location
- Towing for any vehicle involved in a collision
- Transporting the member to the vehicle for service or from the vehicle to another destination after service has been rendered
- Fuel, oil, fluid, and water delivery
- Towing or service on roads not regularly maintained (including private property) or in areas not regularly traveled, such as vacant lots, beaches, open fields, or other places that would be hazardous for service vehicles to reach
- Service when a vehicle is snowbound. We do not hoist, winch, or shovel vehicles from unplowed areas, snowbanks, snowbound driveways, or curbside parking. Also not covered: installation or removal of snow tires and chains.
- Changing, dismounting, repairing, rotating, or delivering tires
- Vehicle storage charges, cost of parts and installation, products, materials, impounding, and additional labor relating to towing
- Service to vehicles with expired safety inspection stickers, license plate stickers, and/or emission stickers where required by law
- Service to a vehicle that is not in a safe condition to be towed
- Charging a weak or dead battery
- Towing of a vehicle off a boat dock or marina
- Service of any kind on vehicles used for commercial purposes or using dealer tags

*Medium-duty and heavy-duty vehicles are currently excluded.

**To the original repair facility if within 25 miles, or to the nearest ACDelco Service Center.

Profitability & Productivity

1 2 3 4 5 **6** 7 8 9 10

- Towing at the direction of a law enforcement officer related to traffic obstruction, impoundment, abandonment, illegal parking, or other violations of the law
- Towing due to stolen parts
- Lockout service is not included; neither is the cost of making a replacement key or lock repairs

Exclusions:

This benefit applies only to motorized passenger vehicles that weigh less than 10,000 pounds gross vehicle weight that may be serviced using standard automobile servicing equipment, including but not limited to wheel lift devices, flatbeds, and dolly wheels (automobiles and light-duty trucks) and specifically excludes:

- Service for taxicabs, boat trailers, recreational vehicles and trucks, vehicles used for competition, stolen vehicles, unlicensed vehicles, illegally parked vehicles, or impounded vehicles. Any vehicle used for farm, ranch, agriculture, or off-road use.

NOTE: Consumer Assurance, Labor Reimbursement, and Roadside Assistance are NOT available in Puerto Rico or other U.S. territories.

You are automatically enrolled in this program when you join the my GM Partner Perks Program. If you have questions, call 800.825.5886, prompt 3, then prompt 1. To order Consumer Assurance/Roadside Assistance brochures, log in to acdelco1store.com and search “assurance.”

CONNECTION

CONNECTION is a web-based tool that combines an all-makes/all-models/all-brands, real-time parts catalog with a host of shop management modules to help the automotive aftermarket customer streamline their business.

CONNECTION

Some of these modules include inventory management, specialty catalogs, vehicle repair information such as labor rates and access to Si, a fleet vehicle manager, customer estimator tool, and many others! CONNECTION easily integrates with most shop management software systems for a seamless, easy-to-use customer experience.

CONNECTION also offers exclusive access to national ACDelco promotions and rebates, as well as special offers from your ACDelco distributor that aren't available anywhere else! To learn more about everything CONNECTION has to offer or to get started, contact your Direct Account today!

REPAIRLINK

Free to your repair shop, RepairLink delivers a complete electronic OE parts ordering system online with ease. Not only do you have access to dealership pricing and inventory availability, you can also view illustrations and technical diagrams of more than 22 OEMs, making repairlinkshop.com a valuable resource for your shop.

repairlinkSM

Additional RepairLink Shop benefits:

- 24/7 online ordering with subscribing dealerships
- VIN-based parts lookup
- Real-time online order updates
- Tablet, mobile, and multi-browser-friendly

Start using RepairLink today by visiting repairlinkshop.com or call 888.776.5792 for more information.

COLLISIONLINK

Available to Independent Body Shops only

CollisionLink is an online parts procurement solution that can help dealerships sell more Original Equipment collision parts by connecting them to Independent Body Shops. Within the solution, dealerships have the visibility to view the entire collision estimate. Through reimbursement programs from the OEMs, dealerships can conquest aftermarket parts sales, turning them into OEM parts sales by offering discounts to shops.

HOTROD PROCESSING (CREDIT CARD PROCESSING)

Paying too much for your credit card processing? HotRod offers two programs:

Traditional Processing Program

- Interchange Pass-Through Pricing plus 0.05 percent and \$0.05 with no rate increases by HotRod Processing

Cash Discount Program

- This program eliminates all or a portion of your credit card processing fees

Both programs include:

- Included terminals with EMV/chip card readers and NFC (Apple Pay®)
- Month-to-month contract—no early-termination fees
- Next-day funding (100 percent deposited the next day)
- Unrivalled personal customer service—one-call resolution for issues
- Included online reporting

HotRod Processing is a leading provider of credit card processing services for the automotive services and motorsports industries. It offers the automotive services industry a level of professionalism and service no other payment provider can equal.

Merchants can be reluctant to change their credit card processor because of empty promises offered and a lack of customer service. HotRod Processing will do an analysis of your merchant statement and provide a written guaranteed savings proposal. Its objective is to check for accuracy and cost-saving opportunities.

Once the initial account setup is complete, HotRod Processing will send you a free-loan terminal that is programmed, tested, and ready to use. After your first month of processing with the company, it will review your statement to confirm the guaranteed savings and share how, together, you and HotRod Processing can monitor all future statements to maintain the maximum savings.

To see how much you could be saving, email a copy of your recent merchant statement to joe@hotrodprocessing.com or fax to 610.819.9081.

AMERICAN IMPACT MEDIA (AIM) ON-HOLD MESSAGING

Not available to Fleets

Keep your customers entertained while they're waiting on the phone with American Impact Media's creative, informative, and effective on-hold messages, completely customized for your business. You can also choose from an extensive library of background music to be played during the recordings. These professionally recorded messages will play continuously while callers are on hold to help make the wait worthwhile.

As a my GM Partner Perks member, for a onetime fee of \$425 (plus shipping and handling), you will receive your production in your choice of media formats that can be heard through the message on-hold capability of your phone system. You also have the option to purchase a digital player from AIM for \$274 at a discounted price. The digital player comes with a 2-year warranty from the manufacturer, and AIM fully guarantees the compatibility of all equipment it sells.

There are no contracts or leases to sign; you own the production and equipment. And once the initial setup is complete, AIM also offers you money-saving package deals for future productions.

For more information about how you can develop and enhance the image of your service center with on-hold messaging, call 800.664.6534.

AUTOVITALS—DIGITAL MULTI-POINT VEHICLE INSPECTION

Not available to Fleets

AutoVitals is a leading provider of integrated software solutions for managing automotive shop workflow, internet marketing, and customer engagement. The company's shop-success solutions automate every touchpoint of the vehicle repair transaction with customers and enable efficient shop management. AutoVitals' platform includes digital vehicle inspections, automated service reminders, customer engagement, repair status updates, POS integration, educational videos, sales-to-technician communication, and real-time integration to repair data/POS.

- Guided digital vehicle inspection (DVI)
- Automated tech dispatching and labor inventory management
- Appointment and campaign manager through automated CRM
- Business control panel with data insights and analytics

My GM Partner Parks members will receive a 10 percent discount on The Digital Shop® products.

For more information, contact sales@autovitals.com or call 866.949.2848 and mention your my GM Partner Perks membership.

Business Types

We designed my GM Partner Perks to be not just another loyalty program, but one specifically designed with your business in mind. And that's true whether you're an [Independent Service Center](#), an [Independent Body Shop](#), or a [Fleet](#). Explore all the ways your business will yield perks customized specifically for what you do best.

Independent Service Centers

1 2 3 4

As an Independent Service Center, take advantage of the convenience of a streamlined rewards program. My GM Partner Perks benefits extend beyond just redeemable points to include national marketing support, training resources, and business tools that can help drive profitability, productivity, and most importantly, your bottom line. With your first purchase, you can start to take advantage of these exclusive benefits and discounted resources.

Pro Perks++ Professional and Regional Service Center Details

Members that choose Pro Perks++ at enrollment:

- Are considered a “candidate” until passing an assessment conducted by their Field Manager Aftermarket (FMA) shortly after enrollment
- Pay the lesser Perks+ enrollment fee but enjoy the benefits of the Pro Perks++ package until the assessment is conducted and the disposition determined

Candidates that pass the assessment:

- Continue in the Pro Perks++ level
- Will have the balance of the enrollment fee deducted from their existing points balance (or from their future points earnings as necessary)
- The balance is the difference between the Perks+ and Pro Perks++ enrollment fees

PRO PERKS++ REQUIREMENTS

The FMA is responsible for completing an assessment of Pro Perks++ candidates. The assessment can be found in the Field Approval Tool in My Toolbox on the program portal. The candidate will be informed of the assessment results soon after enrollment.

To be in the Pro Perks++ level, members must meet the following criteria:

- Must be capable of achieving the average monthly purchase requirement
- Must have functioning equipment consisting of or capable of:
 - Diagnostic tools for GM vehicles and all makes
 - Programming for GM vehicles and all makes or proof of what is used to execute programming
 - Battery testing
 - Alignment rack or documentation of the sublet shop
 - On-car brake lathe
- Must have active technicians in the ACDelco Learning Management System (training system), with each tech taking at least one course per quarter (any type of course)
- Must stock ACDelco Batteries exclusively
- Must promote the My GM Rewards Card (credit card)
- Must have clean and welcoming facilities for both technicians and customers:
 - Shop, locker room, tool room, parts area, etc.
 - Waiting room, service drive, counter, restrooms, etc.
 - Exterior: paint, siding, roof, parking, etc.
- Must be willing to install ACDelco outdoor signage and participate in the Image Program if needed
- Must utilize a customer satisfaction program/process
- Must utilize a Multi-Point Vehicle Inspection (MPVI) program/process
- Must meet Automotive Service Excellence (ASE) requirements:
 - Must be a current member of the Blue Seal Program and:
 - a. Have at least 75 percent of technicians who are performing diagnostics and repairs be ASE-certified
 - b. Each area of service offered in the shop must be covered by at least one ASE-certified technician

Independent Service Centers 1 2 3 4

Pro Perks++ Professional & Regional Service Center Details

REGIONAL SERVICE CENTER PROGRAM

The Regional Service Center Program has been developed to reward Regional or National Service Chains for their purchases of GM Genuine Parts and ACDelco parts and to help them meet the challenges of servicing today's technologically advanced vehicles.

To qualify, Regional Service Center members must meet the following criteria:

- Maintain a \$2,000 monthly average in parts purchases for all locations
- Own, operate, and enroll a minimum of five store locations in the Regional Service Center Program
- Maintain facilities that are professional in appearance and facilitate a positive customer experience
- Be approved by GM management
- Must promote the My GM Rewards Card (credit card)

Those that qualify are eligible for the following:

- ACDelco Training
- Consumer Assurance (Roadside Assistance and Labor Reimbursement)
- Si annual subscription discount*
- Diagnostic Hotline and Identifix Technical Assistance Hotline discount
- OPUS discount
- Midtronics discount
- ACDelco 1Store access
- ACDelco Locator access

Rebate details:

- Issued quarterly to the corporate headquarters location as found in the Business Tool in My Toolbox on the program portal homepage
- Option to receive a check or Electronic Funds Transfer (EFT)
- A growth bonus equal to 20 percent of rebates earned is available for achieving 10 percent year-over-year growth (quarterly comparison, all locations combined)

NOTE: Regional Service Center headquarters are considered the "parent," while individual repair facilities within the chain are considered "children." You can add or remove an individual repair facility (child) at any time during the program period, as long as the minimum requirement of five repair facilities (children) is maintained. A headquarters point can be considered both a parent and a child. Refer to the Job Aid on the program portal for instructions on how to add or remove locations from your chain.

*Si discounts and promotions are not available to subscribers in Massachusetts.

Independent Body Shops

1 2 3

Independent Body Shops deserve a rewards program that puts their business at the forefront, and my GM Partner Perks provides just that. Benefits extend beyond just redeemable points to include national marketing support, training resources, and business tools that can help drive profitability, productivity, and most importantly, your bottom line. With your first purchase, you can start to take advantage of these exclusive benefits and discounted resources.

GM COLLISION REPAIR NETWORK

The GM Collision Repair Network (CRN) is an exclusive program that measures collision-repair practices such as performing pre- and post-repair scans, calibrating safety systems, using OEM repair procedures, performing necessary recalibrations, and conducting quality-control checks. Participation in the program will help enhance repair procedures, resulting in many business benefits.

If you are currently enrolled in the GM Collision Repair Network and enroll at mygmpartnerperks.com, you receive complimentary Pro Perks++ top-level eligibility into my GM Partner Perks.

As part of the GM CRN, you have the opportunity to close more work and improve business results

- You will now have a powerful way to communicate to every GM vehicle owner you speak with that you are uniquely qualified to repair their vehicle
- Your shop can benefit from being featured on the General Motors Collision Repair Network Repair Facility Locator
- Your shop will benefit from referrals from the General Motors Collision Repair Network Repair Facility Locator

Gain access to the tools and information that help promote safe, proper repairs for your customers

- The GM Collision Repair Network is metrics-driven and dynamic. The facilities that do repairs right by measuring quality and validating practices are recognized by GM for their effort and commitment. These are quality measures that you can share with your customers to help differentiate your facility from others. As technology changes, we continue to adapt, continuously evolving our standards for pre- and post-repair scanning, repair procedures, calibration, and overall repair.
- Repair procedures can be easily accessed and electronically stored with the repair file
- Documentation is now readily available to all stakeholders

Earn rewards through the purchase of GM parts

- There's no paperwork; the redemption of rewards is on your terms and you get 24/7 access to your account
- Points are earned based on a percentage of the list price, and they are redeemable for rewards such as debit cards, electronics, travel, and even the purchase of GM vehicles

For more on the GM Collision Repair Network and to enroll today, visit gmcollisionrepairnetwork.com.

Fleet

1 2 3

MULTI-LOCATION FLEET PROGRAM

The Multi-Location Fleet Program has been developed to reward Fleets that manage multiple service locations for their purchases of GM Genuine Parts and ACDelco parts and to help them meet the challenges of servicing today's technologically advanced vehicles.

To qualify, Multi-Location Fleet Program members must meet the following criteria:

- Both Perks+ and Pro Perks++ members must have at least five or more installing locations
- For Perks+ members, maintain a \$2,500 monthly average in parts purchases for each location
- For Pro Perks++ members, maintain a \$5,000 monthly average in parts purchases for each location
- Be approved by GM management

Those that qualify are eligible for the following:

- ACDelco Training
- Consumer Assurance (Roadside Assistance and Labor Reimbursement)
- Diagnostic Hotline and Identifix Technical Assistance Hotline discount
- Midtronics discount
- ACDelco uniform and apparel

NOTE: Multi-Location Fleet Program headquarters are considered the “parent,” while individual repair facilities within the chain are considered “children.” You can add or remove an individual repair facility (child) at any time during the program period, as long as the minimum requirement of five repair facilities (children) is maintained. A headquarters point can be considered both a parent and a child. Refer to the Job Aid on the program portal for instructions on how to add or remove locations from your chain.

Additional Program Information

With a program as expansive as my GM Partner Perks, you probably have some questions. And we definitely have some answers. Learn more about how to get credit, when rewards are issued, how to call for support on specific issues, and so much more.

Additional Program Information

1 2 3 4 5

Program Period

My GM Partner Perks is a 12-month program and always begins at the start of a calendar month following enrollment and ends at the end of the 12th calendar month (e.g., April 1 through March 31 of the following year, where April is month one of the program period and March is month 12 of the program period). Your program period can be found in the Business Tool in My Toolbox on the program portal.

Getting Credit for Purchases of GM Genuine Parts and ACDelco Parts

Members can buy GM Genuine Parts and ACDelco parts from two types of sellers:

1. Sellers who share invoice data with GM:
 - Data sharing enables GM Dealers and Direct Accounts to automatically credit members for these purchases
2. Sellers who don't share invoice data with GM:
 - Members must self-report purchases from these sellers to gain credit
 - To self-report purchases, use the Self-Reporting Tool in My Toolbox on the program portal homepage
 - To get purchase credit in the same month of the actual purchase, it must be self-reported by the last business day of that month
 - The deadline for self-reporting any given purchase is the last business day of the following month of purchase
 - Refer to the Job Aid in My Toolbox on the program portal homepage
 - NOTE: Jobbers can report for you using the Tally Sheet Process

Automatically Credited Purchases

Automatically credited purchases occur when members purchase GM Genuine Parts and ACDelco parts from sellers who share data with GM and the seller has certified their relationship with the member (e.g., the unique account number[s] the seller uses when invoicing the member).

Self-Reporting and Approval Process

Getting rewarded for your GM Genuine Parts and ACDelco parts purchases is easier than ever, but we realize that some purchases will still need to be self-reported. For self-reporting, use the Submission Tool on your my GM Partner Perks dashboard.

See the Job Aid for details on mygmpartnerperks.com.

Initiating Account Number Certification

Reporting sellers must always approve account numbers on behalf of members in order for members to receive purchase credit. Sellers are prompted to approve account numbers per the following scenarios:

1. Member, via the Seller's Tool on the program portal, requests seller to approve account numbers.
 - Generates an email prompting seller to approve account number at portal
2. Seller, via the Customer Tool on the program portal, proactively approves account numbers for member via program portal.
 - Generates an FYI email to the member
 - NOTE: If you feel there is a discrepancy, contact your seller
3. Program headquarters, on behalf of the member, requests seller to approve or deny a "near match" on the certification key (more on the certification key in a moment).

Additional Program Information

1 2 3 4 5

Account Number Certification Status

Members can view certification status on the program portal. Possible statuses include:

- Pending (to be reviewed and approved or declined by seller)
- Approved (by seller)
- Declined (by seller)

Certification Key

The certification key is the combination of the seller-approved account number and the member's business name and address. This key is used by GM to match data in seller-shared invoice data, enabling GM to automatically credit members.

IMPORTANT!

To increase the likelihood of purchases being automatically credited, members should always encourage their sellers to use accurate information when invoicing the member. **Inaccuracies in name and address may prevent matching, which will result in members not being automatically credited.**

What If I'm Not Getting Credit for Purchases?

- Ensure data-sharing seller has approved the respective account number(s)
- Request seller approve account number(s) via the Seller's Tool in My Toolbox on the program portal homepage
- Ensure data-sharing seller is using accurate information when invoicing you (i.e., accurate spelling of your business name, accurate address, etc.)
- Request seller update their management system with accurate information as found in the Business Tool in My Toolbox on the program portal homepage

If you're still not getting credit, it's possible the seller does not share invoice data with GM. In this case, the purchases will need to be self-reported using the Self-Reporting Tool found in My Toolbox on the program portal homepage.

IMPORTANT! Changes to Member Business Information

Member business information can be found in the Business Tool in My Toolbox on the program portal homepage. It's very important that members maintain accurate information throughout the program period. In the event of a change to your business name, address, phone number, etc., please ensure you update this information in the Business Tool. It's also important to inform your sellers of these changes and request that they update their management systems accordingly. This will increase the probability of member purchases being automatically credited.

Earnings Period for Rewards

You begin earning rewards on your Rewards Earning Start Date, which is the first day of the following month of your enrollment month (e.g., members enrolling on June 15 can begin earning rewards for their purchases starting July 1).

Additional Program Information

1 2 **3** 4 5

Rewards Issued Monthly

Members' wallets are updated monthly once the month closes (approximately the middle of the following month). During any given month, you can log in to the program portal to see daily progress on your purchases and estimates of your associated rewards. Daily rewards updates are estimates only.

Rewards Adjustments

Rewards adjustments can be made to prior program month(s) and can be positive or negative adjustments. Adjustment scenarios include:

- Program headquarters receives seller-shared invoice data from prior program month (e.g., a delay in seller-shared data)
- Program headquarters receives newly certified account code(s) from seller(s) impacting prior program month(s)

Negative Rewards

It's possible for you to earn negative rewards (e.g., part return). In the unlikely case where you finish a month in a negative-rewards position, your rewards wallet will not be decreased. That month's rewards statement will reflect zero rewards earned. Your earned rewards will continue to show as zero until you recover and earn positive rewards again.

Here's an example:

MONTH	EARNED REWARDS	REWARDS WALLET/ STATEMENT	REWARDS BALANCE
1	5	5	5
2	-8	0	-3
3	15	12	12

Rewards/Allocations

Rewards processing and allocation will be determined by information found in the Business and Allocations Tools found in My Toolbox on the program portal homepage.

Business Type or Benefits Package Change

If you experience a change to your enrollment (e.g., changing benefit package or business type), rewards earnings for your new status will begin on the first day of the following month of the status change.

Forms and Job Aids

Several forms are available to help members facilitate various situations (e.g., transferring program ownership, transferring my GM Partner Perks points, etc.). All forms can be found in My Toolbox on the program portal homepage. Many helpful job aids can be found in the same location.

Buy/Sell Form

In the event of a buy/sell situation involving an in-program shop, program headquarters must receive a completed form informing them of the change.

Transferring Rewards Points Form

Utilize this form to transfer an existing rewards points balance from one party to another (e.g., in a buy/sell situation, from seller to buyer).

Transferring Exclusively Yours Card Form

Utilize this form to transfer an existing Exclusively Yours Card from one party to another (e.g., in a buy/sell situation, from seller to buyer).

Enrollment Fees Are Nonrefundable

Previously paid enrollment fees are nonrefundable. The following scenarios are for illustration only:

- You move to a benefit package with a reduced fee or no fee
- You leave the program prior to the program end date

Parts Categories

Parts categories are broad categories such as Collision, Powertrain, Accessories, etc. Depending on the program and benefit package, members earn rewards at varying rates when purchasing parts in these categories. Parts categories and associated earn rates are subject to change and are defined at the discretion of program headquarters.

New and Superseded Parts

The program makes every attempt to reward purchases of superseded parts but cannot guarantee success in every instance. If you believe you did not receive credit for a superseded part, please contact your GM Field Manager Aftermarket or program headquarters.

Reenrollment

To ensure continuity of active program status, you will be able to reenroll during month 12 of your program period. Reenrollment capability is not available prior to month 12. Your program period can be found on the portal in your business profile.

REVIEW PROCESS

At the time of reenrollment, your purchase levels will be used as a qualifier in the reenrollment process (i.e., available options will be based on your program-to-date purchase levels). For example, to enroll in Pro Perks++, members need to achieve average monthly purchases of \$6,000 for the program period.

Case-by-Case

The Field Manager Aftermarket can move an account to a lower benefit package for nonperformance at any time. The member will receive written notification 30 days prior to removal that states the reason for the action. If you're moved down, enrollment fees are not refundable.
