

Brake Pads

OE GOLD SILVER

GM Genuine Parts OE brake pads are the true OE parts installed during production or validated by General Motors for GM vehicles. ACDelco Gold and Silver brake pads are GM's aftermarket brake pads and are backed by GM.

WARRANTY[^]

GM Genuine Parts OE

24 MONTH/
UNLIMITED
MILE
LIMITED WARRANTY

- GM engineers spent many years developing, testing, and validating brake pad solutions for your GM vehicle
- OE brake pads are specifically designed to work with the GM vehicle safety systems, such as electronic traction control and anti-lock brakes
- OE pads have strict requirements for brake squeal noise. Aftermarket parts are not required to meet any requirement for noise in a GM vehicle
- Performance characteristics, such as pedal feel, stopping distance and noise match GM's original equipment

Better

WARRANTY[^]

ACDelco Gold

24 MONTH/
UNLIMITED
MILE
LIMITED WARRANTY

- ACDelco Gold pads are the high-quality alternative to OE parts.
- Gold pads are a smart choice for General Motors vehicles, as well as most other makes and models
- Gold brake pads match the GM OE pad design to deliver optimal performance and noise suppression
- ACDelco Gold pads must comply with a rigorous quality approval process and are backed by GM
